MAKE YOUR NEXT BACKYARD BASH A CHIC, STRESS-FREE AFFAIR WITH THESE BRIGHT AND COLORFUL IDEAS

KEEP YOUR COOL

So bright and fun, you'll want to make ice cream every day, Zak's pint-size Ice Cream Tubbies are insulated to keep ice cream cold. They're the perfect go-to for toting ice cream or a cold salad to a picnic.

amazon.com, \$11-\$12

STREAMLINE BBQS

Whip up tasty barbecue dishes without spilling sauce all over your grill with Bodum's Bistro Sauce Pot. This slick tool with a no-slip silicone band lets you fix marinade right in the pot and saves spills as you brush on your secret sauce.

bodum.com, about \$20

TRY THIS AT HOME!

Keep things casual by letting guests help themselves to drinks at your next party. Fill a large tub with ice, soda and beer for adults or ice and juice boxes for kids. Jazz up your party and add the cute decal our photo studio created. Visit tasteofhome.com/beveragetub for easy instructions on how to get the look!

Tub from target.com, about \$19

ADD SOME FLAVOR

Refresh guests at your summer soiree with a light and lovely flavored water. This pretty Multi Carafe from Nuance can be opened from both top and bottom, so it's easy to add berries or lemon, lime or orange slices and ice with little fuss. Talk about cool!

puremodern.com, about \$40

TOTE A LITTLE LESS

Taking salad to a party? The job will be so simple with this nifty Hands On bowl from Joseph Joseph. The integrated servers hook on, so you'll have less to bring, and it's quick to pack up at the end of the night!
